

**Working with Immigrants & Internationals:  
Understanding Culture & Fostering Well-Being**

---

# **Provider Information & Local Resources**

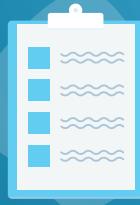

This community-based resource guide is intended to assist professionals working with immigrants and internationals in Allegheny County. The information provided here is in no way meant to be a comprehensive guide to every service throughout Allegheny County. Rather, it is an unofficial collection of community resources that may be beneficial to those working with immigrants and internationals. Inclusion in this packet does not necessarily represent endorsement of any organization or its program, nor does exclusion represent lack of endorsement.
